

# FlagStone with Face Mix

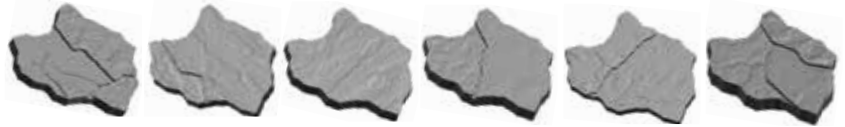

**FlagStone** with Face Mix consists of six identically shaped pavers, each with its own unique pattern, in six beautiful color blends that easily fit together to create an authentic look of natural flagstone at a fraction of the cost.

*Where function meets style*

*Ideal for decks, patios, sidewalks and pool surrounds*

Dimensions: 19-3/4"x15"x 2-3/8"    Actual area of each piece: 1.5 sq ft

*This paver is installed in the same way as our other pavers, however FlagStone requires the application of a High Performance Polymeric Joint Sand to fill the joints.*

**High Performance Polymeric Joint Sand**

FlagStone requires the application of High Performance Polymeric Joint Sand designed for use with wide joint formats.

*Note: Due to this paver's unique profile, a special mat is required to be placed on the bottom of the compactor. Please contact your dealer for complete details.*

**Not recommended for vehicular applications**
